I want to join BEST Lawns and Landscapes. As a participant of the BEST Lawns and Landscapes program I give my permission to a representative from the Virginia Cooperative Extension Prince William Office to access my property to take soil tests and landscape measurements. I understand that the information on this form will be shared with Master Gardener volunteers who make the visit to my property. I intend to implement the practices recommended in my Nutrient Management Plan to the best of my ability.						
I understand that the base fee of \$40 covers one soil test and provides program materials. Additional soil tests are \$15 each . I understand that there is a \$50 returned check fee. Most properties only need one sample. If you are not sure if you need multiple samples, call our office (703-792-4037) before submitting your application. Enclosed is a check for program fees.
